

HOW TO CORRECTLY FILL OUT THE FORM

If you want to report to Stop-it where you found pedo-pornographic material, please read carefully the following instructions before filling out the form.

If you want to receive a feed back on the status of your report, please send us your e-mail address (read the ruling on privacy)

To report a web site, please insert the URL:
http://.....

For an article in a newsgroup, the requested information are:

Name of the newsgroup
Title of the article
The sender of the article
The date of the article
The name of your provider (ISP)*

If the material is exchanged through Peer to Peer, the requested information are:

The programme used (i.e. Winmx, Kazaa, etc)
The name (or pseudonym) of the hosting person/owner
The name of the file
The word(s) that you used to search for the material
The IP address of the hosting person/owner (if available)
The description of the material found
The name of your provider (ISP)*
If possible, date and time of when you saw the material

For a chat, the requested information are the following:

The name of the chat service
The description of the content found
The name of your provider (ISP)*
The exact date and time of when you saw the material

For spamming e-mail messages, the requested information are:

The URL of the web site which is indicated in the e-mail message: http://www...
The e-mail address of the sender
The e-mail's header
How to save the header of the message, if using Outlook Express:
Open the e-mail message
Click on "File" --> "Proprieties" --> "Details"
Copy and paste the content of the "Details" in the "Notes" box of the STOP-IT report form
The description of the content found
The name of your provider (ISP)*

ATTENTION: the header also contains the email address of the recipient. If the report is forwarded to the Police it will contain the whole header.

See the [RULING](#) on privacy.

Do never send pictures or films – Anyone is punishable who knowingly acquire possession or is in possession of pornographic material involving sexual abuse of minors younger than eighteen years

* A Provider is the company providing the service which allows you to surf the net. For example, Tiscali, Tin, Wind, to mention the mostly used.
